Dear LARK Conservatory Parents,

As we reopen our classrooms, the faculty and staff at Lark Conservatory have been preparing for another exciting year for our students to learn and thrive. We believe deeply in the mission of culture, and strive continually to remain a beacon of the Armenian heritage in the Diaspora, both for ourselves and for our youth. We remain fortified in this mission through unquestioning resolve and dedication to our vision, evidenced by the overwhelming show of continuous support from our community. We welcome our new and returning students to our 2017-18 academic school year.

This year, orientation and registration will take place in Lark's Turpanjian Hall on Friday, August 4 and Saturday, August 5, 2017. We would please urge you to schedule an appointment time for these dates with our office. Along with the students, parents and family members are highly encouraged to attend orientation to familiarize themselves with our campus, our comprehensive music program, and all the activities that will take place throughout the 2017-2018 school year.

As noted previously, our board has taken a decision to raise the tuition over the next few years to cover our operational expenses. This year we propose to charge \$205 per month for preparatory level matriculation (please view the new tuition payment schedule on page three of this pamphlet). We will also be collecting a \$100 Registration Fee to cover the cost of workbooks, supplies, performance materials, and recitals.

Included in this pamphlet you will find the schedule of classes for the upcoming academic year, the academic calendar, and a review of rules & regulations so you may familiarize yourself with our school's operation. This year all group classes (Preparatory through Advanced) will take place only on Saturdays.

We look forward to another exhilarating and productive school year, as we work together for the welfare and cultural advancement of our youth.

Sincerely,
Ashot Kartalyan
Principal - Lark Conservatory
